When God Doesn't Fix It: Lessons You Never Wanted To Learn, Truths You Can't Live Without

Synopsis

IS IT POSSIBLE THAT GOOD THINGS CAN COME OUT OF OUR BROKEN DREAMS? Worship leader and recording artist Laura Story's life took an unexpected turn when her husband, Martin, was diagnosed with a brain tumor. Their lives would never be the same. Yes, with God all things are possible. But the devastating news was that no cure existed to restore Martin's short-term memory, eyesight, and other complications. The fairy-tale life Laura had dreamed of was no longer possible. And yet in struggling with God about how to live with broken dreams, Laura has found joy and a deeper intimacy with Jesus. Laura helps us understand we aren't the only ones whose lives have taken unexpected turns. She examines the brokenness of some of the heroes of our faith, and shows how despite their flaws and flawed stories, God was able to use them in extraordinary ways. And it was not because of their faith, but because of the faithfulness of their God. God may not fix everything. In fact, although your situation might not ever change or get better, with Jesus you can. "Our family has been ministered to by her vulnerability and willingness to walk in the valley and still say "God, I Trust You." STEVEN CURTIS and MARY BETH CHAPMAN Grammy Award-Winning Artist and New York Times Bestselling Author "Laura is one of my heroes when it comes to trusting God. She's joyful, genuine, and faithful even though her story includes messy chapters. This book will be on my nightstand for a long time!" LISA HARPER Author and Bible Teacher

I sat down to read and read almost cover to cover in one sitting. It was that good. I will admit up front, I think everything Laura Story does is "so cool", and read the book mostly because she wrote

it. I wanted the subject matter, but I would read a cereal box if Laura had a quote on it. ;-))But this isn't just me with my "hero worship" glasses I am tempted to wear. This book is REALLY good! And, I think a big reason is because we ALL have brokenness. We all have things we wish God would "just fix". We all have things that would be easier to not share or be vulnerable about. And Laura is really honest and open about that. She shares her personal story in a really raw, open, honest, and sometimes hilarious way. ;-)) but interwoven throughout her story is universal truth. Not platitude. Not "Christianese", but for real for everyone truth. Almost every chapter ends with a Myth vs. Truth. And almost every single myth she lists is a lie that my heart so wants to tell me is true. Myths like (this is me paraphrasing cause she says it better) "When everything is healed then I can be used by God", "He is punishing me and that's why everything is broken.", "when everything is healed then I can be happy"- and she combats them truths like "God can use my story in the redemption of the nations", "He isn't punishing me, He loves me, and in His love and mercy He is going to use my story to bring hope to other hurting people." "Joy is deeper than just when it "feels better"" I could go on and on, but don't want to just regurgitate what she said - I want people to read it for themselves and hear His love and power and grace just washing over them.
