First Team

Synopsis

Brock is on the run again in New York Times bestselling author Tim Green's companion book to New Kid. Perfect for fans of Mike Lupica or Dan Gutman's Baseball Card Adventure series. With his strong left arm, Brock knows he can be a great quarterback, and with the help of his new friend, Mak, he has a plan to make the first team. But the coaches have plans of their own, especially for the kids from the wrong side of the tracks, which is exactly where Brock now lives. As Brock is trying to fit in, his father's past is catching up to him and one chance meeting causes everything to come crashing down. Will Brock finally be able to navigate his new life, or will his past force him back on the run?

GREAT kids book.... Heck no, it was a GREAT "anyone's book!" Tim includes just the right components to make a story worth turning each page. He gathers character names from the public which instantly bonds his readers and his works.... Keep up the good work, Tim!

This was another huge hit by Tim Green I love his books. I don't even like to read but when I get a Tim Green book I can't put it down. Especially this book. I have no dislike about this book. Defiantly worth getting. GREAT BOOK!!!!!!!

This was a great book. You would have to have read the last one to understand it but this was a

touchdown like that one was a homerun.

This book was really good. A great read to. I give this book 5 stars because I like football and it's about football. For football fans out there this is great book. It also included mystery which I like. I hope to read another book like this.

Bought as a present for 15 year old grandson who loved it

My son got this book for Christmas, and he LOVED it! He described it as "An epic book! Perfect for football fans!", and he wouldn't put it down! He read the entire thing through in less than one day. This book is great for most ages and will inspire kids to read more. If you have a sports fan in your house, whether they read or not, this is a great book for them.

I would recommend this book. I enjoyed the balance between the suspense from the dad and his job to the football that Brock was involved in.

AWFUL FOR ADULTS. WEAK PLOT AND NO REAL DEVELOPMENT OF CHARACTERS.
PERHAPS GOOD FOR TEENAGERS, BUT NOT SUITABLE FOR ADULTS
