Ballpark Mysteries #10: The Rookie Blue Jay (A Stepping Stone Book(TM))

Synopsis

Batter up! Ballpark Mysteries combine baseball action with exciting whodunits for early chapter book readers! Mike and Kate can't wait to watch their rookie hero Dusty Martin in action. But something is throwing the Blue Jays' star off his game. Then, when no one else is looking, Mike sees mysterious ghost lights flying across the field. Is the ballpark haunted? And could Dusty have seen the lights, too? Ballpark Mysteries are the all-star matchup of fun sleuthing and baseball action, perfect for readers of Ron Roy's A to Z Mysteries and Matt Christopher's sports books, and younger siblings of Mike Lupica fans. Each Ballpark Mystery also features a Dugout Notes, with more amazing baseball facts.

Customer Reviews

I bought this book for my son since he's a baseball player and a fan. The story captured his attention and got him to keep reading all the books in the series. He loves how each story is about a different real life MLB team.

Mr Kelly can't write these books fast enough. My 9 year old daughter devours them as they come off the press. Great, engaging reads for mystery and/or sports lovers! She started reading this series

when she was 6 years old, and still gets excited when a new book goes on pre-order.

My kids can't get enough of these books. For years, we have waited with anticipation every time another one is due to be published. As a baseball fan, I love that my kids can learn so many cool facts about every team and stadium. I learn many things with each book, and the mystery aspect is just as fun to anticipate. These are so fun and will interest even the most reluctant reader- especially if s/he is a baseball fan :-)

My grandson has a new love of reading thanks to this series. The setting of the book (and in the entire series) makes it fun for all baseball lovers.

Another excellent book in this series. We were thrilled to have two new ones come out so close together. More please!

Just what the birthday boy wanted! Great for 8 year old sports lover.

We just love these books. They are perfect for a seven-year-old boy

My 5-year-old loves all the Ballpark Mysteries.
