Shoot-Out (Comeback Kids)

Synopsis

From #1 New York Times bestseller Mike Lupica! What happens when a star player ends up on the worst team? He either learns to lose or he stops playing the game he loves. These are the choices facing Jake, who has gone from champion to last place, testing his sportsmanship every time his soccer team gets waxed. But it's his teammate Kevin who shows Jake that being a good captain means scoring and assisting off the field as much as being the star player on it.

Customer Reviews

12 year old son was happy with the book. He loves soccer and it's not easy to find well written books on the subject.

Great series for reluctant readers. My 10 year old will read Lupica's books without a fight. I enjoy that he emphasizes perseverance, respect and sportsmanship.

My 11 and 13-year-old boys enjoyed this. They had a hard time following some expressions.

My 13 year old son hates reading, but he really enjoyed this book.

My 11 year old son love this book.

We bought the basketball and soccer stories and my 10 year old son loved them both. He is very interested in sports and the stories kept him interested and had great messaging for life in general.
