All Better Now

Synopsis

Sneezing! Stuffy! Ears a-pop! And from your nose, a drippy-drop Such green and slimy yucky glop! Can anybody make it stop? It's one thing when a toy breaks; but what about when a part of you isn't working right? This delightful, involving sequel to *The Boo Boo Book* cures children's fears when they're sick, and explains exactly what's going on with their bodies. The rhyming text and colorfully-designed interactive pages are just so much fun that kids won't focus on how bad they feel, but on why they'll soon get better. They'll lift a sheet of transparent pink plastic to cure pink eye; slide the mercury in a thermometer to take a temperature; and touch the embossed sneeze spray. From runny noses to rashes, earaches to stomachaches, a host of typical children's ailments are all illustrated and described.
