If I were to choose 5 books that have truly changed my life and my walk with God, this book would be number ONE on my list. It is hope-giving revelation for a generation of Christians who are searching for an authentic relationship with God, not just an organized religion. *The Sacred Journey* shares the story of the shepherd girl in the Song of Songs who has lost her first love and become disillusioned with the work of her calling, as many Christians today become lost in the machinery of the church. Brian and Candice Simmons share the power of the transforming love of God through the tale of a nobody who captures the heart of a king and a king who LOVES her into her destiny. Words spoken in love transform a broken, burned-out girl into a queen who reigns with her King. This is a commentary on the Song of Songs as a divine allegory for the Bride of Christ, rather than a marriage manual for newlyweds. This book can restore the passion of first love to a mature

Christian and help those new to the faith follow a path into deep relationship with God. If you buy one book this year, let it be this one. My life has been transformed by this story and I would wish the same for you as well.

This book takes one on a journey into deeper revelation of the intent of Jesus' heart for His people. One paragraph can be weighty and worth the time to pause and let the truth of Father's heart through His Son sink deeper inside the soul. The writings are a treasure to this God chaser who forgot she was being pursued all the time.

if you are at a place in your journey with the Lord where intimacy is where He has you, then you will want to read this companion to the Song of Solomon book in the OT. It is one you can't put down. Gaining understanding of intimacy with God is one of the most pertinent things we need to understand God's love for us. It takes you from intimidation of Song of Solomon into intimacy and affection God has for us.

I love this book. Excellent companion to the Passion Translations Song Of Songs. It like a full.walk.through of all the notes and Brian Simmons teaching on the book. It has given me a much deeper understanding of the book Song Of Songs and is drawing me into a deeper relationship with the Lord. I highly.recommend this book.

The most amazing book demonstrating God's love for you in such an intimate, personal way by looking in-depth at the Song of Solomon. Beautifully written, hard to imagine that kind of love! Definitely a book to re-read and think on over and over, soaking in His love until it moves from head knowledge to heart!

Love how each verse, almost line by line, has been broken down and explained. God is so awesome! I'm seeing myself as a bride being wooed by my Lord, Jesus. I love the suggested prayers throughout the book. It's a wonderful read all at once, or I suppose as a devotional. A book, that will definitely be one that needs to be re-read to absorb it all. <sup>TM</sup>

I haven't read a lot of it yet, savoring each page. I feel a closer relationship with Jesus with each word and chapter. I think I will have to get the Passion Bible now! I love the wording so beautiful and passionate just like our Lord.

One of the most profound books I've ever read. Brian Simmon's insight into God's love for mankind, as revealed in the Song of Solomon, is unparalleled! Every true seeker of God should read this book. My life will never be the same again!
