Customer Reviews

I bought this for a 15 year old.. When I received, it was so easy to read my 7 year old could have read it in 5 minutes. I would send it back but it cost more time than it's worth. Unless your child is young and a beginning reader, don't waste your time and money.

Jimmie Johnson (Superstars of NASCAR) is a book for children. It's full of neat color photos of Jimmie and his family with history about his career.
