Ofelia: A Love And Rockets Book (Love And Rockets)

Synopsis

In the latest Gilbert Hernandez volume of the Love and Rockets library series, Ofelia threatens to write a book about Luba, and Fritz and Pipo fall in love. In Ofelia, the sisters, the kids, and the cousins are all settled comfortably in California after leaving Palomar in Luba and Her Family. Luba and her cousin Ofelia's relationship has always been fraught, but when Ofelia threatens to write a book about Luba, past memories, secrets, resentments, and pain resurface. Meanwhile, Luba's children—genius Socorro, recently out-and-proud Doralis, and prickly Maricela—show that a talent for trouble may be hereditary. Luba's sisters, Fritz and Petra, swap lovers (as usual), but . . . are Fritz and family friend Pipo sittin' in a tree? These vividly drawn characters are charged with Hernandez's trademark complexity; they live, love, age, fight—and die—in this sweeping, multi-generational saga. Black & white

Book Information

Series: Love and Rockets (Book 11)

Paperback: 256 pages

Publisher: Fantagraphics; 1 edition (January 28, 2015)

Language: English
