The Lion Graphic Bible: The Whole Story From Genesis To Revelation

Synopsis

The Bible is a unique narrative of origins and cosmic powers, of the ageless battle between good and evil, of human potential and human treachery; the very stuff of the graphic novel. This award-winning book presents the entire span of the Bible in a dramatic visual style to enthrall a new generation of readers.

Age Range: 10 - 17 years

Grade Level: 5 - 12

Customer Reviews

When I was younger I really got turned on to reading through comic books and have always been drawn to read when visuals and colorful illustrations were present. I'm now older and work as a high school teacher in the inner-city. I have found that a large number of the young people I work with are very similar to me, in that they are visual learners as well. I have been on a quest to find the best illustrated comic book bible that I could recommend to other young people that wanted to know more about the Bible. The first Bible I purchased was the Action Bible by Sergio Cariello & Doug Mauss. Action Bible: Let me just say the Action Bible is beautifully illustrated and makes great use of bright vivid colors as well as remaining true to the story of the Bible. It is 752 pages long, has large pages, and covers many parts of the Old and New Testament. It is extremely extensive and has way more content and pages than most comic book Bibles out there. The Action Bible is a wonderful tool for reaching younger people with the Gospel. My only complaint is it really gears itself

more toward young children rather than older teenagers. I understand that it wants to cater itself toward young children but it leaves out a little too much in my opinion in terms of avoiding mature content. It's like if I was going to give it a movie rating I would definitely give it a PG rating. Still with that said, most people would be quite happy and satisfied with the Action Bible and would probably say it's the best comic book Bible out there, although I feel it's only the second best. Lion Graphic Bible: The Lion Graphic Bible's illustrations and drawings simply fall way too short of the competition that is out there.
