Customer Reviews

There are three volumes in the Ready-To-Go Game Show series - Essential Catholic Beliefs, Bible, and Catholic Teachings and Practices. Each volumes is spiral-bound and is 125 to 200+ pages long. The games are geared toward the teen crowd, but they provide enough games and material that you can play them with children a little younger, like 8 to 9 years old. Each book is divided into the specific game show with multiple options for each one. Some examples of the game shows are as follows:1. Who Wants to be a Catholic Millionaire2. Faithful Feud (Family Feud)3. Catholic Jeopardy4. Holy, Holy, Holy Squares (Hollywood Squares)5. The Church is Right (The Price is Right)6. The Real Fortune (Wheel of Fortune)7. Catholic Pictionary8. 10,000 Shekel Pyramid ($10,000 Pyramid)9. Holy Pursuit (Trivial Pursuit)I was intrigued with how you could play The Price is Right with the Catholic Church, so I immediately went to this section. Apparently, you ask the children number related questions, like "How many books are in the Bible?" or "What year did Christianity become a universal religion?" I'm sure you can also think of some others on your own. The child who gets closest to the answer then moves on to the next round where they are given 60 seconds to put the parts of the Mass in order or Feast Days and Holy Days of Obligation in order.

There is no final round, but there are enough questions in the first two rounds that it should give every child a chance to participate, even if you have to have students team up.
