2 Corinthians (Tyndale New Testament Commentaries)

Synopsis

Paul's long, complicated history with the Corinthian church culminates in this ardent defense of Christian ministry in general and of his own ministry in particular. In this revised edition, Colin Kruse updates and expands his insightful analysis that illuminates Paul's contrast of the old and new covenants and his eloquent exposition of the ministry of reconciliation. He also charts a clear, plausible course through the maze of the literary history of Paul's correspondence with the Corinthian Christians. The Tyndale New Testament Commentaries have long been a trusted resource for Bible study. Written by some of the world's most distinguished evangelical scholars, these twenty volumes offer clear, reliable and relevant explanations of every book in the New Testament. These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means. The introduction to each volume gives a concise but thorough description of the authorship, date and historical background of the biblical book under consideration. The commentary itself examines the text section by section, drawing out its main themes. It also comments on individual verses and deals with problems of interpretation. The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today.

Book Information

Series: Tyndale New Testament Commentaries

Paperback: 288 pages

Publisher: IVP Academic; 2nd Revised ed. edition (July 5, 2015)
