God's Great Covenant - New Testament - Book One Teacher's Edition

Synopsis

A detailed teacher's edition corresponding to God's Great Covenant, New Testament One contains the entire student text, and provided answer keys and additional factual information to expand upon the historical, geographical, cultural, and theological concepts introduced in the text. In God's Great Covenant, New Testament 1: A Bible Course for Children, students will follow the story of Jesus, the Messiah and King, as He is born and fulfills all God's promises. But Jesus does not arrive as people expected. The people were looking for a mighty warrior to deliver them from the oppressive Roman government. Instead, He came as the suffering Savior, who would die as the sacrifice for sin and death. He was building a kingdom that was not of this world-it was the kingdom of God. He is the Son of Man, God's Servant, the Messiah, and the Son of God. Each of the four units in this text emphasizes one of these names of Jesus. God's Great Covenant, New Testament 1 teaches the Gospels to students in fourth grade and up, using stories, worksheets, memory verses, devotional guides, quizzes, and a little boy named Simon. In the introductions to the text, students will also learn about the historical, cultural, and geographical setting of the New Testament. This book is a most comprehensive and heartfelt study of the Gospels, and many parents and teachers will find themselves learning along with their students. I have used GGC old testament 1&2 and GGC New testament 1 for 3 years with my children ranging from 5 to 13 this year. The study is easy to follow and packed full of easy to understand lessons. The children have learned to memorize verses and understand how they apply them to their everyday lives. They love the puzzles and discussing the questions in class. The teachers guide has extra insight for the older children and has always provoked deeper conversations. I can not say enough about the growth I have seen my children go through in the last 3 years. The time spent talking about God and His Word is precious and challenges them to think about the choices they make everyday.

Used the books a lot with our kids (8 and 10). They love them and they are very easy to use.
