Fullmetal Alchemist, Vol. 19-21 (Fullmetal Alchemist 3-in-1)

Synopsis

In an alchemical ritual gone wrong, Edward Elric lost his arm and his leg, and his brother Alphonse became nothing but a soul in a suit of armor. Equipped with mechanical "auto-mail" limbs, Edward becomes a state alchemist, seeking the one thing that can restore his and his brother's bodies: the legendary Philosopher's Stone. Contains volumes 19, 20 and 21! The story enters its final stretch as the Elric brothers learn of the homunculi's ultimate plan to turn all of Amestris into an alchemical bloodbath on the "Day of Reckoning." While tempted to use the open portal that day to get their bodies back, for now the brothers build opposition to the homunculi-corrupted military with others who have learned of the grisly plan. While Al learns the secret of the homunculi's origins from his father, Ed joins forces with a familiar homunculus who seems to be having pangs of conscience. Reads R to L (Japanese Style) for teen audiences.

Customer Reviews

No doubt my favorite 3 in 1 book of Full Metal Alchemist so far since it features my favorite combined character Greedling, including his fight with Bradley and meeting up with Edward, in which results in them teaming up (although Edward more or less becomes a lackey). There's also a back-story for Hoenheim and how Alphonse gets 'possessed' by Pride's shadows as well. So I recommend getting this volume if you're a fan of Greedling or FMA in general.

This continues to be an excellent and enjoyable read in the series; the little extra bits and author's

commentary are icing on the cake. Looking forward to the rest of the series. I am enjoying the 3-in-1 format.

I love it, the only problem is that it is paper back...shame it is not available in hard cover.

Great series. If only the anime could have been as good

Children love this collection of books! fast shipping
