Customer Reviews

Love this journal!! The only thing I would change is that it would be great if it were spiral bound. Just took mine in and did just that!

This journal was exactly what I was looking for. Simplistic, without a lot of extraneous fluff that ends up distracting my mind, with plenty of room for my thoughts to flow freely. I appreciate the minimal daily direction, guiding my thoughts to meditate on what the chosen passage illustrates about God, then on my own thankfulness. I also like that it isn't a heavily directed study, leaving me free to go wherever I am currently studying. I also love the black and white format with the little bird--it gives me just a hint of coloring to "play" with daily. I LOVE this journal!

We homeschool. I just bought copies of the 6 month journal for each of my kids and one for myself. My 9 year old asked if she could spend an hour each morning with Jesus because she loves him so much. 🙏🙏🙏

I love this prayer journal! It has little prompts that help you focus your thoughts. When you truly quiet your heart, you can really hear God's voice clearer. It's amazing how adding little pops of color to the images stimulate your creativity.

Love this study journal! Helps me focus on Who God is, what I'm thankful for and truths that God's Word teaches! Love that it is not someone else's words but instead just helps me journal God's Words. Bought 4 and will be buying more!

I love this Bible study journal! I'm so glad that I purchased it! It's so nice to write my daily journaling in something that is so fun to look at! I'm going to buy one for my 12- year-old son. It's not too feminine for a young boy.

Length: 0:55 Mins

The beauty of this journal is its simplicity: Each day, during your devotional, you quietly think over what you have been reading in the Bible, then simply jot down your thoughts in the journal. To help you do this, each page of QUIETING YOUR HEART has just these 4 parts:(1) TODAY I'M READING(2) GOD IS ...(3) THREE THINGS I'M THANKFUL FOR(4) THIS IS WHAT I LEARNED TODAY.What a great idea! This journal is simple but effective. It seems to me doing these 4 things every day is an excellent way to start off the day, or wind up your day studying the Bible.

This journal is adorable. It's nicely sized and I'm excited to use it. I love journals that make quiet time even more personal when you can write out your thoughts in a creative way. Very pleased with pricing and quality!
