Customer Reviews

This book is funny, clever, happy, sad, and REAL! We have the best time reading it out loud! It is about what it is really like to be a little boy. Read it in French if you can! There is a good translation out there too. But the original is unbeatable!

Great for what it is -- a series of short, highly-amusing tales of the little French school kids. I bought it as assigned reading for a French class, but found it great fun by itself. It is in French.

Great book, however the cd speaks French at a realistic speed. The reader is great, however, this is more for advanced readers and listeners.

My students are enthralled to have the CD and text of Le Petit Nicolas. It was shipped quickly and in perfect condition. Merci encore!

Le Petit Nicolas et les copain is extremely easy to read and amusing. A fantastic enthrallment for studying French.

the book is nice and we received in four days. my daughter likes it very much. I recommend for business with them.

Perfect! Exactly what I was looking for.
