Be Successful (1 Samuel): Attaining Wealth That Money Can't Buy (The BE Series Commentary)

Synopsis

Find true success through a life of integrity and character. We all long to succeed in every area of life, in our careers, our relationships, and our finances. But in the daily pursuit of our dreams, we can forget to examine just how we measure success. The book of 1 Samuel offers striking contrasts between succeeding God's way and trying to achieve goals by any means necessary. This guide examines the life of King David, and shares how we can find true success through our character, conduct, and lifestyle. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, BE Satisfied has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe journeys through the book of 1 Samuel to uncover how God defines success. You will be inspired to pursue your goals, and encouraged to make the race just as important as the finish line.

Book Information

Customer Reviews

This book was very comprehensible. It was easy to understand. It followed the bible very well.. If there was a part of the bible that was hard to understand, The book explained it in layman terms. I have told many people to use the BE Books with the bible studies. They are so interesting and instructive.

I love the way Wiersbe writes his commentaries. He seems theologically and doctrinally correct, and

he writes so that the reader is both informed and interested. A lot of Bible commentaries are difficult to understand, but my understanding of 1 Samuel has deepened so much after reading this.

Warren Wiersbe writes a Bible commentary for the layperson. He helps to make a Bible Study interesting and down to earth. One doesn't need a doctorate to be truly blessed by using Wiersbe's writings.

The "Be" commentary series by Warren Wiersbe continues to be popular with my Bible study group. I decided against Samuel - for the time being at least - because each chapter has several corresponding Bible chapters. I wish Mr. Wiersbe had made two volumes out of 1 Samuel. Even so, I suspect we'll tackle this book at some point.

A friend and I used this commentary to supplement our Bible study during our Monday meetings. Wiersbe provides excellent exposition on the entire book. Each section contains study questions to challenge believers to apply what they've learned from the Scriptures.
