• by Thomas Horn & Cris Putnam is a continuation in a series of books that points to what lies ahead for America, Israel, and the rest of the world when the power elite try to dial in the New World Order (NWO). Thomas Horn is a world acclaimed prolific investigative author who has uncovered what is about to unfold in the next three years that is a very disturbing scenario. With only 150 elitists controlling 40% of the world's wealth now is there chance to enthrall the whole planet with their wicked plan of a NWO. You need this knowledge to know what is about to happen so that you will be able to protect your wealth and family from disaster.

Points Unveiled There has been a lead up to 2016 that started in 2012 that involves a secret Freemasonic countdown for a Global World Leader to take charge in the not too distant future. Tom Horn reveals how recent U.S. presidents and other global elitist leaders have been deeply involved in this sinister scheme to enthrone what scripture says is this "man of perdition." There seems to be a hidden connection that the author has found between the years 2012, 2014, 2015, 2016, and 2019. Could what he has found be the start of the beginning of the end like it states in Revelations? What the end of the Mayan Calendar means and why the world has not heard this information before. What role does the current Pope Francis, thought by some scripturally sound scholars to be the last pope, play in the installation of the King of the NWO in 2016? Tom Horn explains in detail what his role will be and why we need a one world leader. Rabbi Judah Ben Samuel eight hundred year old prophecy and what it says about the 2012-2016 timeframe. He explains this and what Protestant Reformers believed about the timeframe of 2012-2016. Read what they discovered and expect to happen in this period. What do the four blood moons and eclipse symbolize when they take place in 2014 & 2015? There will also be the Comet of the Century attached to these signs, what will that portend? Where will all this lead? Is the Lord Himself preparing to light the first real candle of Chanukah? What of his return? What happens at the end of the tribulation? What starts the tribulation? All these questions and more are answered in Tom Horn's book

• including the mystery of the rapture, what is it and when will it occur. What are the mysterious connections between the return of the Watchers and the angelic Nephilim creators and the esoteric numbers 33, 2012, and 2016? Who is manufacturing this "son of perdition" for installation as the leader of the NWO? Was the United States designed centuries ago to generate this spirit of Antichrist? Why are the powers that be summoning this angel from the whirlwind? Who stands to gain and who will lose? Why this son of Lucifer now?

The Answers Tom Horn provides the answers to what the NWO believes. His book is chock full of new and spot on information about the occult architecture of our nation's Capital; the

unprecedented working of the occult era that peaked during our founding father's time; points to the fact our founding fathers were planners, leaders, and engineers of a global agenda; one they did not share with the rest of the world because of its secret esoteric knowledge. The author believes that the Freemasons have not only kept secret the plans for a Masonic Savior, but also the exact time of his arrival. He shows us how the coming Blood Moons & eclipse will signify a defining moment in world history. How Lucifer will mimic the resurrection of Christ by raising his own son Apollo from the dead. How dark Satanic forces will be unleashed through trans-humanism and synthetic biology that just happen to be the developing technologies of today.

Evaluating the Book The author shows how all this is tied into John's book of Revelation, what all this means for Christ's return, and how we can all be saved out of this. He points to details of Masonic Grand Master Albert Pike's early writings from his book *Morals & Dogma* how this ancient Mystery Babylonian religion hooks up to other religious organizations today that have unimaginable wealth who are working in tandem to attain the Masonic goals. This book is an outstanding work of investigative detailed reporting on what is straight ahead for our country and the world. It is a must read for those that follow prophecy and what is coming next according to scripture. Tom Horn's book *Zenith 2016* catches you up on where we are at now in prophecy to what is straight ahead in 2014-2016 and where we go from here.

Conclusion What waits ahead in the future is not a pretty sight. If our Lord does not return scripture says the whole world will be destroyed. Tom Horn and his research assistant Chris Putman have worked long and hard to put out a read that is beyond exciting, but just down right chilling. The conclusion drawn are scripturally sound, mind boggling, and fits right into what the world is not prepared for. The great deception is headed our way. You must read his book to know what the abomination of desolation is who does it, and why some believe and some do not. This outstanding book should open your eyes to why the four blood moons are coming, when Apollo is coming, but thank God that Jesus is coming soon!

Okay I must admit this is the first Thomas Horn book I've read. It's not because of a lack of interest in the subject but many of his titles came across as over-hyped and speculative. Having read many of the source books he cited I was both surprised and disappointed with his conclusions.

Surprised: 1. He had the backbone to tackle the issue of American Christian Politics. Is America a Christian Nation? Is there a difference between acknowledging a historical Jesus and true Biblical Christianity? 2. *Zenith 2016* is a virtual encyclopedia of occult knowledge and speculation from the original sources. Mr. Horn goes to great lengths to show you, in their own

words, the meaning and symbolism of the world's oldest mystery religion.³ He briefly explains the symbolism of the "Stone" which the "builders" rejected.^{Disappointed:1} It was difficult to follow the transitions from facts to speculation.² Mr. Horn (in my opinion) missed a great opportunity to connect the occult symbolism of the open eye to its origins in the Biblical record. (granted he may have covered the topic in other books)The serpent in Gen. 3 promises Adam and Eve that when they eat of the fruit their "eyes will be opened" and they would be "as gods". This premise is the very seed bed of secular humanistic enlightenment. Since that day the open eye has represented this Luciferian doctrine. The Greeks kept this idea alive with their term for serpent = ophis. Ophis comes from the same root as the Greek word for eye = ophthalmos. Both terms are linked with the idea of sight or seeing. In the book of Revelation, Satan is called a dragon and here again we see the connection to the book of Genesis. Dragon is the English word for the Greek drakon which means a great serpent. An alternate of the word is derkomai and it means to look or see. Dragon is used 13 times in the Bible.³ Regarding the Great Seal, Mr. Horn fails to mention that its designer Charles Thomson was likely the most knowledgeable Biblical scholar of early America. After his retirement Mr. Thomson gave the world the first English translation of the Septuagint as well as the first American English translation of the New Testament. This fact offers another dynamic to the design of the Great Seal.A good case can be made that Mr. Thomson, as a Biblical scholar, was identifying a symbolic struggle of Biblical proportions. In the first chapter of the New Testament a lineage of Jesus is expressed as 3 sets of 14 generations. If you list those generations on a piece of paper you will find there are only 41 names in the list. (14+14+13) The final column has only 13 names. It appears that the apostle Matthew represented Jesus as the 13th generation. After his death and resurrection he would have symbolically become the 14th generation. Now look at the great Seal again. If this symbol was meant to symbolize a Biblical metaphor then it shows that Jesus (the capstone - 14th generation) is being withheld or rejected by the "open eye" of Luciferian enlightenment. I wonder if this is a warning by Charles Thomson or an acknowledgement of intent.⁴ Mr. Horn's connection between 2012 and Zenith 2016 and the Second Coming is not based upon a strong Biblical foundation. Inherent in his speculation is the idea of a seven year tribulation (2012-2019). The problem with this theory is a seven year tribulation is not once mentioned in the Bible. The source for this well-known Biblical idea is the prophecy of Seventy Weeks found in Daniel 9. Unfortunately, Mr. Horn like most prophecy teachers today based his entire foundation of Daniel 9 on an Artaxerxes assumption. Without any reasonable Biblical evidence scholars claim Ezra and Nehemiah were contemporaries of Artaxerxes Longimanus. Even a cursory examination of the 2nd temple era chronology will show that this could not have been the case.⁵ On the symbolism of the

number 13 Mr. Horn flavors it negatively with the thoughts of E.W. Bullinger and his well know book Number in Scripture. Mr. Horn fails to mention that later in the book Bullinger shows that the names of God are all factors of the number 13. The real symbolic significance of the number 13 may be that it represents man (6) and the divine (7). Jesus was YHWH come in the flesh. All others are Antichrists. Overall I found the book to be a great resource for knowledge on the symbolism and beliefs of ancient and modern day occultists. The history surrounding the occult design of our nation's capital was also worth learning about. On balance I am glad I purchased the book.
