One of our latest additions to our Pinkalicious collection, I purchased this to help ease my daughter's mind about having a new teacher this year. Overall, it's one of the better Pinkalicious books as Pinkalicious acclimates to her new teacher (we'll miss having Mr. Pushkin as her teacher too). It's a sweet story and very well written. One of my favorites (and we have just about all of them!)

My daughter loves Pinkalicious! This is a really good book and so many kids can definitely relate to getting a new teacher or starting a new school. Very well done and it's a fun read. We picked this

book up at the school library and my daughter read it a few times before returning it. This is an Accelerated Reader (AR) book - RL: 2.9 - AR Pts: 0.5

I think that this book covers how some kids view the first day of school (and a new teacher) very well. Ms. Kann captures the feeling of kids getting a new teacher very well. As a kid, I know how it feels to have one of your favorite teachers leave and have to get a new one that you're not really sure about. I love how Ms. Kann shows Pinkalicious adapting to the new class. My little sister LOVES Pinkalicious, and I think she is the kind of role model kids need; one who proves that everyone is not perfect, but we should try hard to do the right thing. In addition to the pinkiperfect story there is a poster, bookmarks and stickers in the book.\*NOTE\* I got a free copy of this book in exchange for an honest review

This is an excellent book for children making a transition at school. I got this for my daughter who moved from Preschool to Kindergarten this year. It was helpful for me to have a book that goes over how new teachers do things differently, how that can be frustrating and the best ways to deal with that frustration.

Dear Good People at Prime, Thank you for speedy delivery of another amazing book. This book along with the others is a gift for my great-granddaughter next week. The Pinkalicious Series is delightful reading for the beginner, youthful, happy reader. THANKS!!!

Such a cute book for preparing my daughter for her new teacher. We love the Pinkalicious books already, but this one really helps the transition to the "big kid" classroom.

Granddaughter LOVES, LOVES, LOVES anything pinkalicious! Like, books, posters, pillows she collects them all! Great story! Perfect for bedtime reading. Great price

I purchased this book for my 2 nieces (ages 4 and 2) for Christmas. They both love the story and really anything Pinkalicious. Came quickly and as expected.
