Ecclesiastes: Wisdom For Living Well: An In-depth Bible Study

Synopsis

Many of us have lives that are full. We have full bellies, full closets, full calendars, full trash cans, full purses and full email inboxes. But at the end of the day, we are empty. God made us all with a built in desire to find the meaning to life and to spend time on things that are meaningful. This in-depth Bible Study will take you verse by verse and chapter by chapter through the book of Ecclesiastes. We all long to live well and Ecclesiastes provides the wisdom we need to do just that! Join us on this journey as we identify the obstacles that stand in our way and draw near to God, through daily study of His Word. A nice addition to her standard studies! I am enjoying this in-depth, slow, and intentional look at Ecclesiastes. I do wish it would have gone through more proofreading to catch grammatical errors, and that the space allotted for recording answers was based on the question itself rather than being standard throughout, but these are obviously small things compared to the value of soaking in the message of this book of the Bible. Thanks to Courtney and her mom for the time invested!

Excellent workbook to follow along with her bible studies. This also serves as a great way to save your notes from bible studies. From time to time, I look back on my workbooks to refresh my memory on something.

Courtney and her mother really knocked it out of the park with their in-depth Study on the book of Ecclesiastes! Mrs. Wise has been an avid bible study participant practically her whole life,,she passed it on to Courtney, who is passing it on to her own child!

This bible study has been awesome! If you are looking to dig deep into Ecclesiastes than this is the study for you! Daily homework does not take a long time to complete but it is a through review of the chapters. I am looking forward to other studies!

I can wholeheartedly recommend this excellent study. It is well researched, well written, and purely based on Scripture. It is a short study, requiring about 15-20 minutes per day, but surprisingly deep. I enjoyed it very much and will not hesitate to purchase Courtney's next study.

I love this workbook! Exactly what I have been looking for. Courtney and her mom created a amazing book. I am hoping that they will do more of these in the future. It is the best Bible study workbook I have ever done and you really dig deep and soak up the knowledge that is presented. Thank you both for a amazing experience!

This was a wonderful in depth Bible study on Ecclesiastes. I was able to relate to things Solomon talked about. It is a guideline for what is important in living life not what the rest of the world states is important.

I am LOVING this Bible study! It is a slow, thorough review, with plenty of space given for writing answers. I LOVE how she has the studier actively going to other parts of Scripture to reinforce the teaching from Ecclesiastes.
