Becoming Naomi León

Synopsis

A reissue of Pam Munoz Ryan's bestselling backlist with a distinctive author treatment and new cover art by Raul Colon. Naomi Soledad Leon Outlaw has had a lot to contend with in her young life, her name for one. Then there are her clothes (sewn in polyester by Gram), her difficulty speaking up, and her status at school as "nobody special." But according to Gram, most problems can be overcome with positive thinking. And with Gram and her little brother, Owen, Naomi's life at Avocado Acres Trailer Rancho in California is happy and peaceful...until their mother reappears after seven years of being gone, stirring up all sorts of questions and challenging Naomi to discover and proclaim who she really is.

Book Information

Lexile Measure: 830 (What's this?)

Paperback: 272 pages

Publisher: Scholastic Paperbacks (October 1, 2005)

Language: English

ISBN-10: 0439269970

ISBN-13: 978-0439269971

Product Dimensions: 0.5 x 5 x 7.5 inches

Shipping Weight: 6.4 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (172 customer reviews)

Best Sellers Rank: #22,105 in Books (See Top 100 in Books) #18 in [Books > Children's Books > Geography & Cultures > Multicultural Stories > Hispanic & Latino](#) #76 in [Books > Children's Books > Growing Up & Facts of Life > Family Life > Multigenerational](#) #316 in [Books > Children's Books > Growing Up & Facts of Life > Friendship, Social Skills & School Life > Emotions & Feelings](#)

Age Range: 8 - 12 years

Grade Level: 3 - 7

Customer Reviews

"Esperanza Rising" was okay. It wasn't the best book I'd ever read, nor did it leave an indelible mark on my heart and mind. After reading it through I felt that author Pam Munoz Ryan was a fine n' dandy writer, but that it was probably unlikely that she'd produce a book that would really make me sit up and take notice. When I start reading a children's book with a mild prejudice already established in my mind (as there was when I picked up "Becoming Naomi Leon") it takes remarkably good writing to bash that prejudice into soft mushy pulp. And bash this book did. By its

end I was flabbergasted. I went into this novel with the vague dread that it would read like so many other works of fiction that are ostensibly "good" for children. I worried that it would be beautifully written and dull as day old dishwater. Instead, it was interesting, bright, cheery, but with just enough reality and cynicism to make you feel that Naomi's fight was one worth battling out. In short, I've been completely seduced by "Becoming Naomi Leon". It is perhaps the underrated children's novel of 2004. Hands down. Naomi begins her book with the chilling statement that she can now point out the exact moment that her sense of peace and security began to unravel like those cartoons where a dog wearing a sweater gets a string from his shirt caught in some way. "Pretty soon the poor dog is bare to its skin, shivering, and all that had kept it warm is nothing more than a bedraggled string". And it all began the night her mother came to town. Naomi had been living a nice quiet life with her great-grandmother (or just Gram, as she calls her) and her little brother Owen. Owen has a slight birth defect that affects his neck and voice, but otherwise he's pretty much a certified genius.
