Customer Reviews

i did not buy this book to read. my wife and i bought this to use it to pray for our two boys on regular basis. this has fundamentally change our relationship and God has used it to change me too from the inside out.

i purchased the power of a praying parent (longer version) bc we used it as a text for our mother's prayer meetings. it is an amazing resource--very detailed prayers and full of bible verses. but i really like this version of the book bc it is a page per day and there is a section for notes. i write down the dates i pray for my children. i am thinking of purchasing a couple more of these books for my mom

friends. and even thinking of buying another one so i could personalize each book for each of my children... (it gets tiresome to keep praying for "him/her" and i would love to insert their name in the prayers) i love the way stormie doesn't miss a thing-- her prayers are so thorough and specific and cover every area of life. the only thing is, i wish they had a hardcover version. this book is going to get a lot of use over the years...

After reading the Power of a Praying Wife, I knew I wanted to try this one. I love it! While I have prayed for our kids over the years, this book brings new things to my mind, and helps to focus each day on a specific thing. She reminds me of things I haven't thought of or things we haven't experienced yet due to their ages. Plus sometimes I pray more specifically than what she has written because her prayer has stirred my heart toward something additional. This is a really great book. Earlier I saw a review that the 'him/her' parenthesis thing was frustrating. Well, we have three kids and I simply insert all their names or them/their because this book isn't meant to be only read verbatim. (In my humble opinion.) It is designed to lead you into prayer...period. Just let it be a guide and not a rule book. I highly recommend it.

I learned a lot in this book and I never thought about praying for my daughter in ways that she offers in this book. Prayer for to be safe, prayers for kids to know God and the Saints. A lot of great prayers. Also helped me to let go and let God.

What a great little prayer book! I keep this in my purse and then have it handy wherever I am. Sometimes I have trouble knowing what specifically to pray for on my own, but these prayers are so thorough, and it has caused me to pray for areas of my daughter's life that I wouldn't have otherwise thought of. It's nice to have reminders and guidance and then the scriptures that go with each subject! There is power in prayer, and I can't wait to see all that God does in my daughter's life as I continue to lift her up to God.

I try to pray these prayers over my children daily. Great collection of prayers. Each one addresses the worldly concerns Christian parents would regarding their children's spiritual well-being. Thanks Stormie for allowing God to use you. Thank YOU God for knowing and addressing the cares of my heart.

While its good for prayers....THIS IS NOT A FULL SIZE BOOK NOR DOES IT HAVE A

CONTENTS. I have the power of prayer for a wife devotional and thought this would be like that. You cannot search for a prayer, you would have to go through each page to figure out what prayer. This REALLY needs a list to show what prayers are in there.

Wonderful pocket size book that can be taken out to read when you only have a few minutes. This book is full of great encouraging prayers for parents who ache over their children's lives. This book helps you focus on the most important things to pray for. I just love it. Have given it as a gift several times.
